

Hoopla Participant Information

Summer, 2017

Thank you for registering to play in Hoopla presented by Columbia Bank and Dutch Bros., Oregon's largest and most prestigious 3x3 Basketball Tournament. Below is some information that will be helpful in making your weekend an enjoyable experience:

Playing on Multiple Teams?

Hoopla encourages and allows for teams and players to play in multiple divisions as well as the USA Basketball Qualifier and the Hoopla Friday 2x2 Tourney. Get after it! **Players who are signed up for multiple teams, however, must send an e-mail to oregonhoopla@gmail.com indicating player name, team names and divisions in which they are registered by no later than Sunday, July 23rd at Midnight.** This will allow our scheduling committee to do its best to make sure that the affected players do not have conflicting game times on Saturday. We cannot control what happens on Sunday during bracket play. **This e-mail is the only way we will know of players playing on multiple teams, and it is YOUR responsibility to handle this in a timely way.** That said, play on 2 or 3 or as many teams as you like *as long as they are all in different divisions...*and, of course, you can improve your standing on The HATER (Hoopla All-Time Efficiency Ranking) by playing on multiple teams, too.

Check-In and Schedules

The Team Check-In / Tournament Information Tent will be located across from the Oregon State Capitol Building. Your team needs to check-in prior to your first game at one of the following times: Friday August 4th from 11:00am - 7:00pm, or Saturday August 5th beginning at 6:30am.

New this year - we will get a photo of each team when you check in. All four (4) players will need to be in attendance to get the photo taken. Please be sure your entire team arrives early enough before your first game to handle this. Also at check-in you will receive your registration packet, which will include promotional items and t-shirts.

Sunday Games

All teams advance to play on Sunday. You are responsible for knowing the correct time that your team is scheduled to play. Our website, www.oregonhoopla.com, likely will be completely updated by 9:00pm Saturday evening and you can find your Sunday schedule there. If you have questions, please consult with any Hoopla Official at the Tournament Information Tent for guidance as to what time you will play on Sunday.

Adding or Changing a Player

Player additions or changes must be done before the beginning of your first game on Saturday and can be done at the Tournament Information Tent. Changing a player due to injury may be done during the weekend (only if an injury drops your team below 3 players). To do so requires a note from the Hoopla Athletic Trainer indicating that the injured player may no longer participate and it also requires approval from a Hoopla Tournament Official. This can be done at the Tournament Information Tent.

If a team is known to be using an illegal player, this obviously is unacceptable, reflects poor sportsmanship and the entire team will be immediately disqualified from the tournament without any refund of your registration fee.

6' & Under Division and 6' 2" & Under Division

All players participating in the 6' & Under Division and 6' 2" & Under Division must be measured and put on their wristband before the team's first game will begin. Any player that does not pass the height test will be disqualified from participating in this division. If a team is known to be using an illegal player, the entire team will be immediately disqualified from the tournament. The wristband for the division must be worn throughout the entire weekend to be eligible to play.

Winning Team's Signatures

The winning team will be required to sign the official score sheet at the conclusion of each game. Please make sure the score and team name are correct before doing so. This will help insure that Hoopla has a correct score for each game and that Tournament Officials can correctly update game results.

Game Rules

A complete listing of all our game rules can be found on our website. A copy of the rules will also be available to your team when you check in.

Basket Height and Ball Size

The basket height for divisions consisting of ages 8 years old and under will be roughly 8 ½ feet high. All other divisions will be played on 10-foot high baskets. Male divisions 11 and under and all female divisions will use a size 28.5 basketball.

Parking

The Capitol Mall Underground Parking Structure will be available to you, at no charge, throughout the weekend. It is located just north of the Oregon State Capitol Building on Chemeketa Street between Court Street and Center Street. Hours for the parking structure are Friday 5:00pm – Midnight, Saturday 6:00am – Midnight, Sunday 6:00am-9:00pm.

Tips For an Enjoyable Weekend

- Bring a lawn chair, as there are many comfortable and shaded areas to set up camp.
- Don't forget your sunscreen!
- Bring and drink lots of water... Hydrate, hydrate, hydrate...
- Let the referees officiate the game, the coaches coach the game, the players play the game... Fans should encourage their team, without trying to assume any of the other aforementioned roles.
- HAVE FUN! Remember this is intended to be a family-friendly atmosphere in every way. Be good sports, use appropriate language, play hard but clean, put a smile on your face and enjoy the competition!

Thank you again for participating in the grand-daddy of all Oregon 3x3 street basketball events, and in one of the greatest 3x3 events our country has to offer. If we can answer any other questions, please don't hesitate to call us at 503-881-6066.

Sincerely,

Jason Unruh
